**Hello...Happy Friday!**

My soul clings to you... (Psalms 63:8)

**"The more you cling to Jesus the more capable you will become of being close to one another."**

*--Pope John Paul II, World Youth Day XII*

## **Think About That**

"Cling to Jesus." Now that's an interesting description of what we ought to do. Shut your eyes for a moment and let an image of "clinging to Jesus" come to you. What feelings does that image cause you to have? Does it feel good to "cling to Jesus?"

## **Take Action**

Every night this week, before you go to bed, spend fifteen minutes in quiet prayer. Just let the image of "clinging to Jesus" enter your mind. If you have a Bible, read Hebrews 4:14, which tells us to cling to Jesus and never stop trusting him.

## **Say A Prayer**

Jesus, thank you for letting me cling to you. I pray that I may always trust you and that you will always be at my side. Amen.

## **Did You Know?**

Pope John Paul II's birth name is Karol Wojtyla (pronounced Voy-tee-wah). He was born and raised near Krakow, Poland, under Nazism and the communist regime.
